

Important Renewal Information

360 Construction and Engineering Pty Ltd is acquiring the eSentry Underwriting Pty Ltd (eSentry) construction and engineering insurance portfolio. Effective 1st July 2020, we continue to offer the same innovative Construction products to small and medium businesses through 360 Construction & Engineering Pty Ltd.

Whilst you may not notice it, the following has changed: -

- 360 Construction & Engineering Pty Ltd will be arranging your Annual/Single Construction Works or Owner Builder insurance products going forward;
- The remittance details will change – please see below for our updated details, including our bank account details;
- We have improved our product offering, creating new 360 Policy Wording & PDS Documents:
 - + 360 Annual Construction Works
 - + 360 Single Construction Works

Please note: Owner Builder Construction & Legal Liability will be offered under the 360 Single Construction Works policy wording going forward.
- Many attractive key features will be maintained with additional key features included (please refer to full PDS for complete coverage and policy conditions):
 - + Professional claims service provided locally by QBE Insurance (Australia)
 - + DE4 wording as standard
 - + Tools and minor plant covered Australia-wide
 - + Up to the limit vibration, removal, weakening of supports cover
 - + Access costs \$25,000
 - + Expediting expenses 10% of contract value
 - + Mitigation expenses 5% of contract value
 - + Professional Fees 10% of contract value
 - + Search and locate costs \$50,000 as standard
 - + Contract value increases 15% of contract value
 - + Display building(s) \$500,000 limit any one building, \$50,000 contents and \$1.5M in the aggregate
 - + Materials in storage up to contract value
 - + Materials in transit up to contract value
 - + Speculative building(s) 90 days after practical completion up to contract value

Contact details

One of the great strengths of the eSentry team was its people. Pleasingly, the team is still together and has been enhanced by the addition of Shaun Oliver (National Underwriting Development Manager) and Catherine McLauchlan (Underwriter) to support the team and continue to provide the excellent and seamless service you are accustomed to.

Please refer to our website for full list of contacts: <https://www.360uw.com.au/our-people/>
